RIDE THE WAVE OF CHANGE

Updated October 2020

Product Audit

The Product Audit helps us measure the effectiveness/efficiency of the product in meeting user goals and expectations based on industry standard/best practices

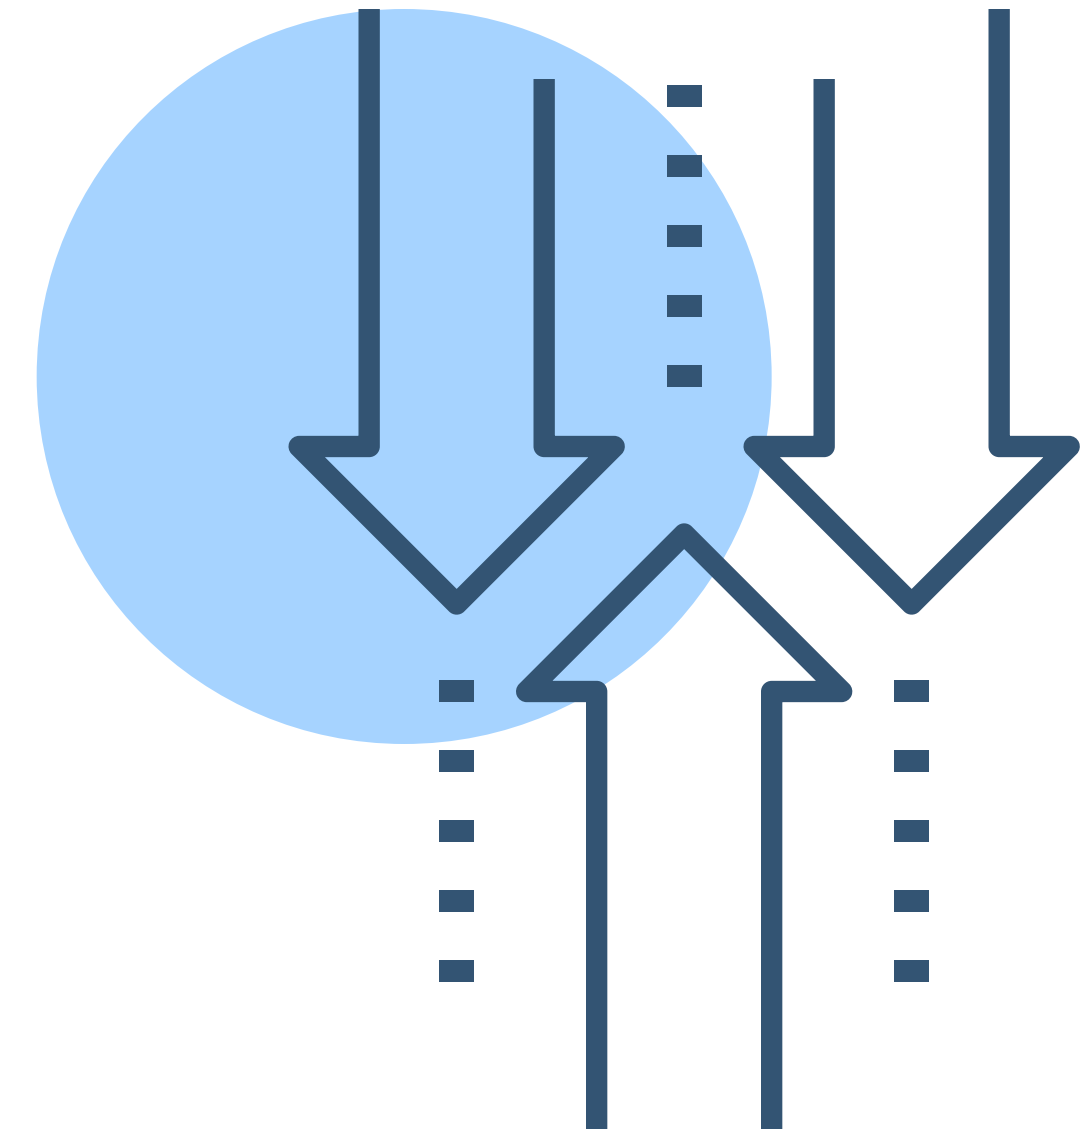

<https://fountane.io/Gamestop1>

Competitive Experience Benchmarking

Competitive Experience Benchmarking helps us compare the key product features against within the same or aspirational industries

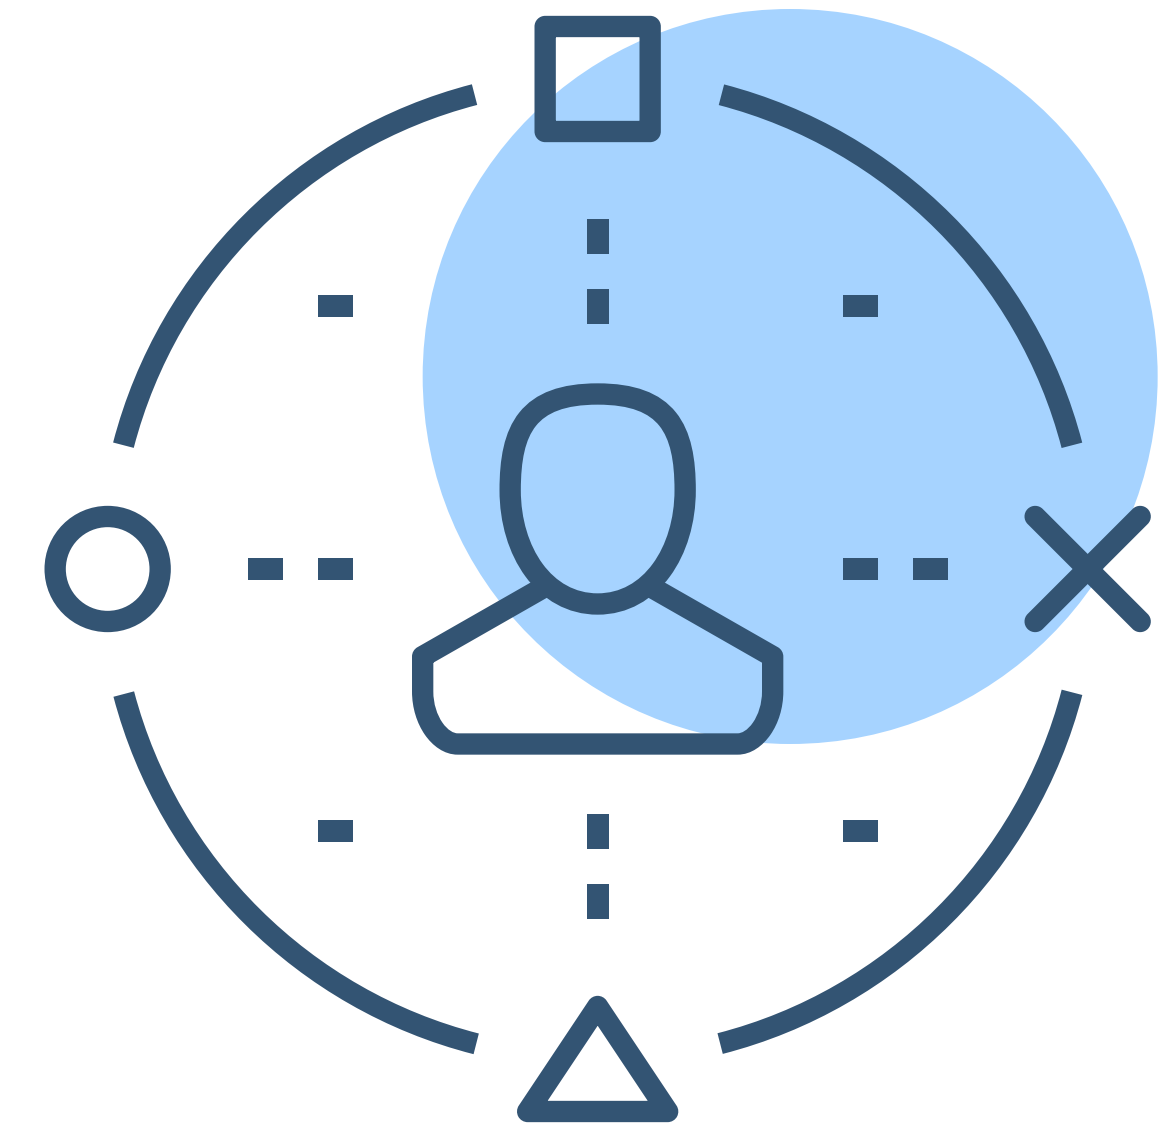

<https://fountane.io/Gamestop>

User Research

User Research helps us empathize with your customers to understand their needs
